

**KokokaiThaiPalace.com** – a very extraordinary 5-bedroom, 4+2 bathroom home with a separate cottage and a meditation point gazebo as seen from a bird's view. All neighboring homes are at least one to two stories lower than the ground floor of this magnificent "Thai Palace" that listed two years ago for \$ 4,350,000. Located on a 20,888 sq.ft. lot high up on the side of an extinct volcanic crater on the other side of which is the world famous Hanauma Bay Nature Preserve, most of this home is only 7, some parts only 3 years old!

Fabulous View From Guest-House Bedroom With Full Bathroom – Tub and Shower.

.... unobstructed view of the coastline along Hawaii Kai to Diamond Head! Walk to the beach or shopping!

Guest-House With Separate Entrance – Can Be Rented Lived In by Owner-Landlord

... living room with the view that is priceless ...and the completely prive 3-rd floor Master Bedroom -WOW!

Ground Floor Entrance Foyer and Fountain

Wet-Bar With a Fabulous View!

3-rd Floor Master Bedroom, With Elevator!

Kitchen with Bar – Watch Kids In Pool!

Just a quick hike from the home's back-yard over the extinct crater's edge to Hanauma Bay Nature Preserve, where you can safely swim on the gorgeous sandy beach and snorkel with the protected and very tame tropical fish and plentiful green turtles among the live-coral heads just a few feet further away, with scuba diving with professional instructors and a bay-watch lifeguard standing by for your safety! Hanauma Bay is naturally protected from storms and high wind or waves so you can swim comfortably all year long! Enjoy ☺
